Bug Report

#SL 01
Issue: Verify Proper Logo and Spelling or Grammatical mistakes
Reproducing steps:
1. Go to https://app-aims.batterylowglobal.com/login

Module: Login
Screenshot:

Expected Result: There will be a Tagline under the logo and "Sign in" will be the heading instead of "Create account"
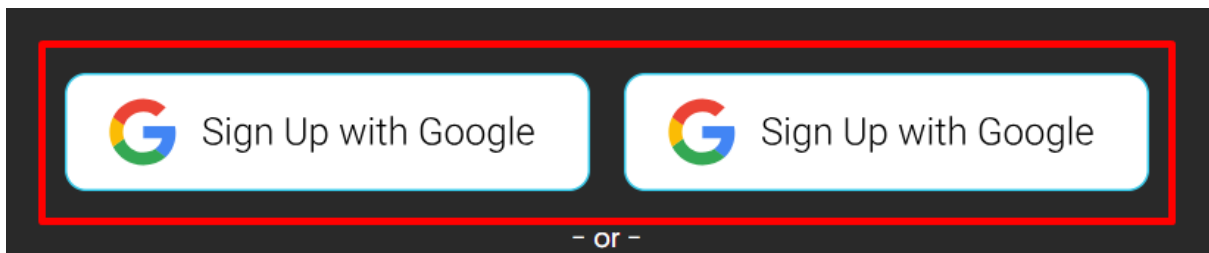

#SL 02
Issue: Verify Sign-in with the social media links.
Reproducing Steps:
1. Go to https://app-aims.batterylowglobal.com/login
2. Click on the "Sign in with Facebook" button or "Sign in with Google" button

Module: Login (Brand & Influencer)
Screenshot:

Expected result: The user should be able to sign in with Google or Facebook. The texts of the fields should be accurate.
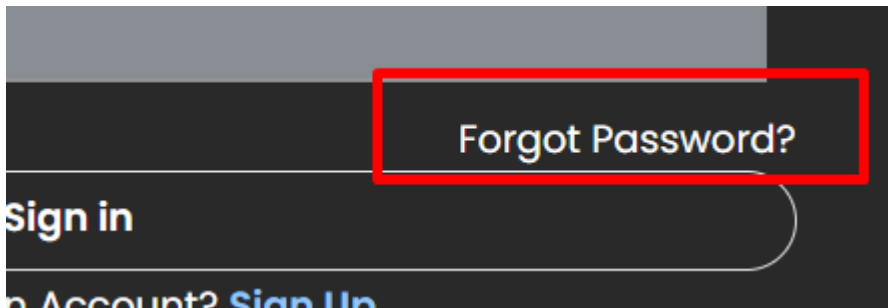

#SL 03
Issue: Verify the Forgot Password field in Login Functionality.
Reproducing Steps:
1. Go to https://app-aims.batterylowglobal.com/login
2. Click on the "Forgot Password?" field.

Module: Login (Brand & Influencer)
Screen Shot:

**Expected result:** Should be able to reset the user password.

#SL 04
Issue: Validation doesn't work in Brand info form
Reproducing steps:
1. Go to https://app-aims.batterylowglobal.com/signup
2. Click on the Create account button with the valid credential
3. Click on "Continue" at https://app-aims.batterylowglobal.com/brand-info without giving any credentials.

Module: Brand-info
Screen Shot:

Expected Result: Company Name is a mandatory field because it has an asterisk. So it shouldn't continue without filling up this field at least.
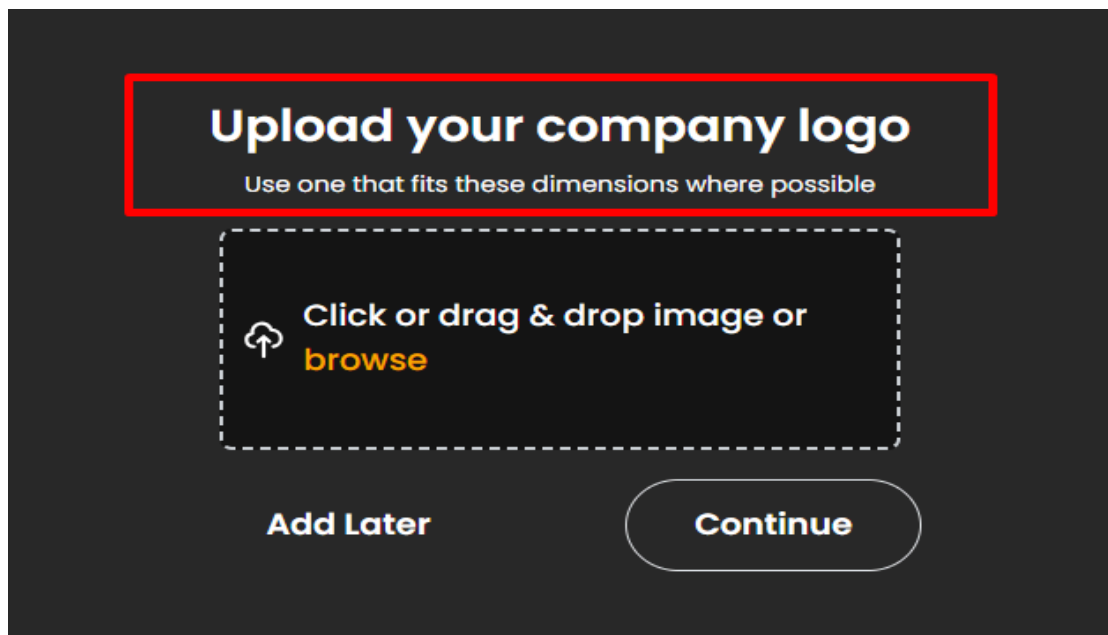

#SL 05
Issue: Verify the headline of the form
Reproducing steps:
1. Go to https://app-aims.batterylowglobal.com/signup and create an account as an Influencer
2. Check the form of https://app-aims.batterylowglobal.com/influencer-image-upload

Module: influencer-image-upload

Screen Shot:

Expected Result: The Heading and Description of this form should change as per the design.
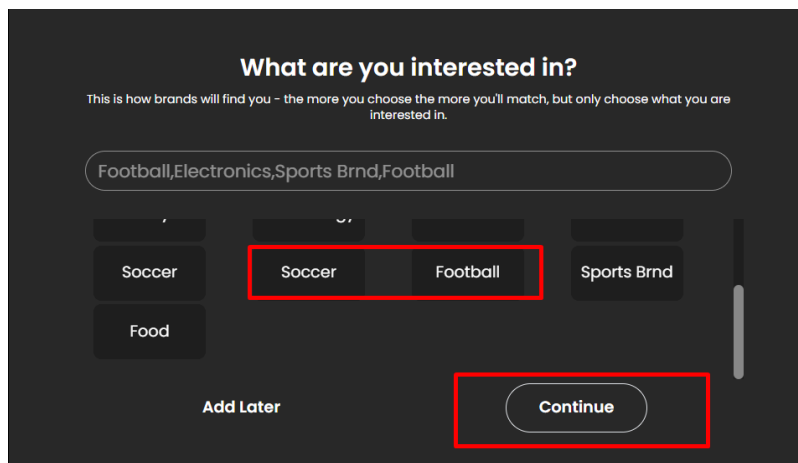

#SL 06
Issue: Unable to continue and no blinking hover over the Text button.
Reproducing steps:
1. Go to https://app-aims.batterylowglobal.com/signup and create an account as an Influencer.
2. Check the textbox on https://app-aims.batterylowglobal.com/influencer_interest

Module: influencer_interest
Screen Shot:

Expected Result: These buttons should be hovering when the mouse cursor is pointed and clicking the continue button should visit the next stage.
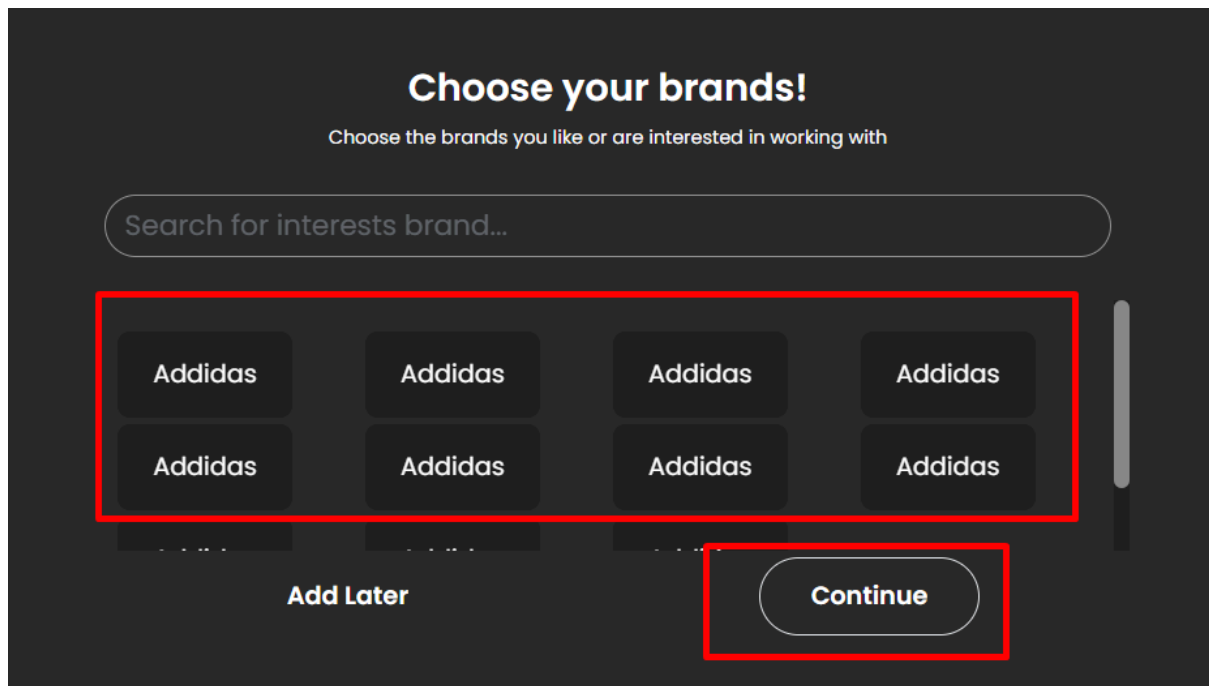

#SL 07
Issue: Unable to continue, All Brand names are similar and the logo is missing.
Reproducing steps:
1. Go to https://app-aims.batterylowglobal.com/signup and create an account as an Influencer.
2. Check on https://app-aims.batterylowglobal.com/influencer_interestedBrands

Module: influencer_interestBrands

Screen Shot:

Expected Result: The brand name has to be different and all the brand logos should be added in these fields and clicking the continue button should visit the next stage. The Continue button name should be changed to "Submit".
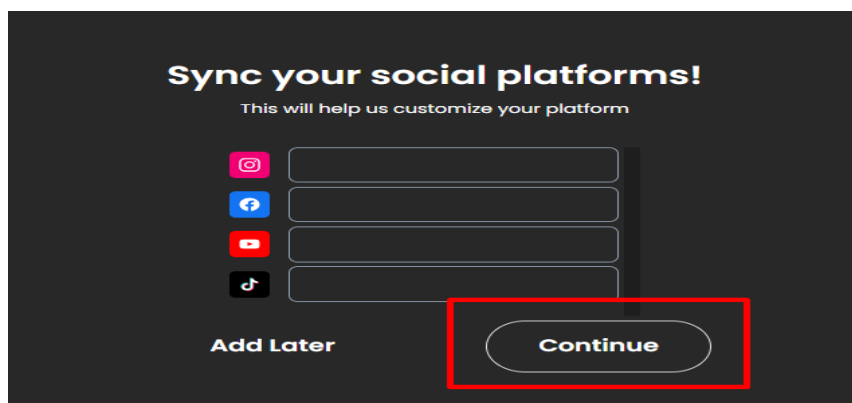

#SL 08
Issue: Verify the Button names
Reproducing steps:
1. Go to https://app-aims.batterylowglobal.com/signup and create an account as a Brand.
2. Check on https://app-aims.batterylowglobal.com/brand-social-links

Module: brand-social-links
Screen Shot:

Expected Result: The button name should be "Submit" instead of "Continue"

Priority: Medium
Expected result: The Button should be clickable and will visit the influencer's social media platform.

#SL 16
Issue: The company's (AIMS) Social Media icons don't work.
Reproducing Steps:
1. Go to https://aims.batterylowglobal.com/
2. The Cursor hovers over the media link icons in the footer side of landing page and click on these.

Module: Landing Page

Screenshot:

Severity: Major
Priority: Medium
Expected result: The Facebook icon only works though it's not providing the actual aims page. But the other links aren't working. It should visit the social media platforms of the company's end.
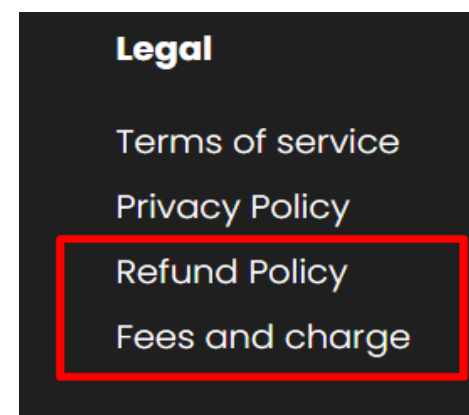

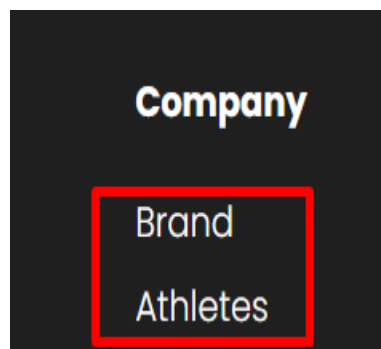

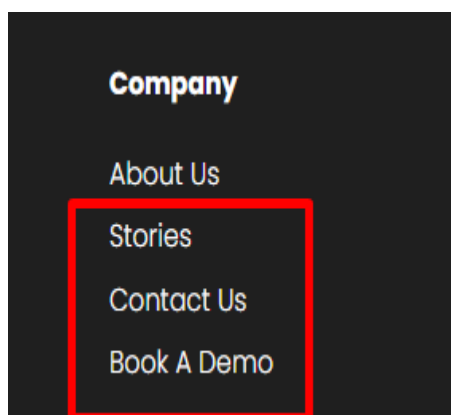

#SL 17
Issue: Some buttons don't work, which are located in the footer section
Reproducing Steps:
1. Go to https://aims.batterylowglobal.com/
2. Go to the footer side of the landing page
3. Click on the red-marked buttons.

Module: Landing Page

Screenshots:

Severity: Major
Priority: Medium
Expected result: On clicking the buttons, will visit the pages.
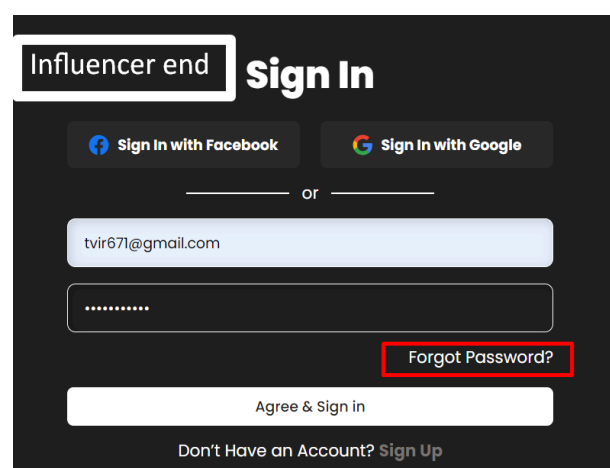

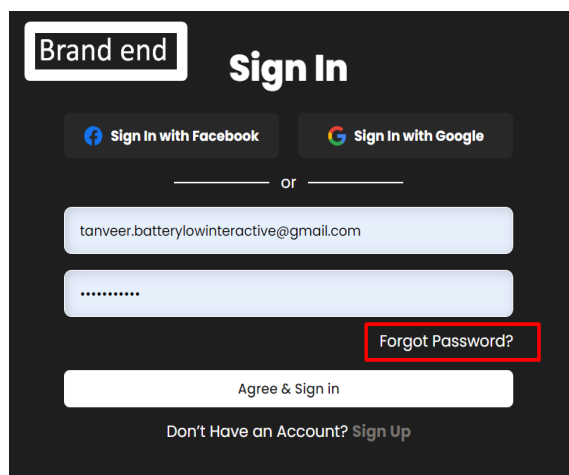

#SL 18
